Information just touch away

## TEACHER'S APP

Let the Teacher do What they are Best in

its not about ideas,  
its about Making  
ideas Happen

Designed and developed for teachers so they can organize and perform their daily task with ease and focus on teaching which they are good in.

The teacher get all the information of students on their finger tip.

This application has all tools for communication with parents, marking attendance for the class, registering student behavior, looking at own timetable and planning class agenda.

## ATTENDANCE

YES, "Attendance Matter"

Students are more likely to succeed in academics when they attend school consistently.

Therefore tracking of attendance is the key to achieving better results. This tool gives the convenience to mark and track attendance of students in the class in real-time. All calculations are done and students with less attendance or tardy students are spotted for timely actions.

Leaves

Reports

## Leaves

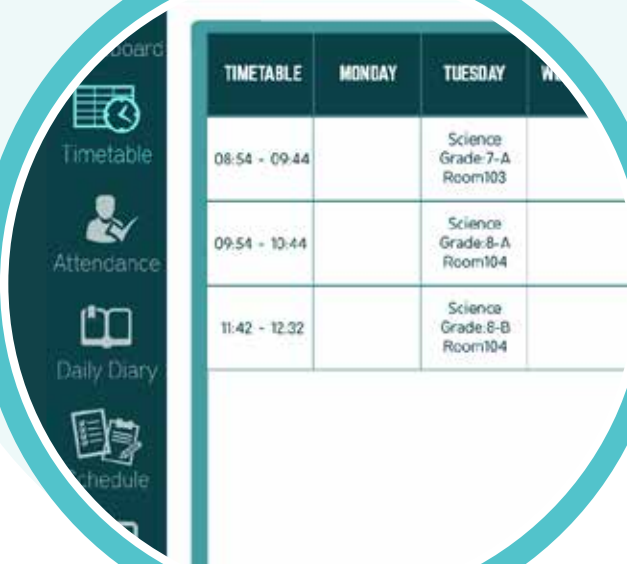

Students who are on leave will automatically label with "L" on student picture. Teacher also get notification of leaves.

## Reports

Teacher can generate multiple class attendance reports of different time periods.

## TIMETABLE

Teachers time table is accessible with a touch of a finger. This time table is updated in real-time so updated information is available to the teacher.

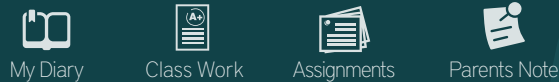

TIMETABLE	MONDAY	TUESDAY	WEDNESDAY
08:54 - 09:44		Science Grade: 7-A Room103	
09:54 - 10:44		Science Grade: 8-A Room104	
11:42 - 12:32		Science Grade: 8-B Room104	

## DAILY DIARY

To keep the record of future lessons, daily diary is consider a vital tool for teachers. With on Go, they can update parents & students about today & future lessons schedule.

## Classwork

Teachers can update students diary on the GO with simple task and record what they have taught in class.

## Assignment

Teacher can create assignments which will automatically be updated for students and parents.

## Parent's Note

As it is very important to keep parents informed about the progress of their child, this tool let the teacher have one to one interaction with parents for information or discussion with no delays of meetings schedules.

## SCHEDULE

A good deal to know the class test & Assignment schedule, which will give a clear idea to teachers regarding their set schedule.

## Scheduled

Schedule of test, quiz & assignments, total with weight-age will automatically presented on screen.

## Datesheet
